

NEW LOCATION - Continuing Education Office, Computer Lab, and Day Classes

Effective October 11, 2018, the Ridgefield Continuing Education office, day, and computer classes location is moving to the Town Hall Annex. We will use the Town Hall Annex for most classes that were scheduled to be in the Venus Building.

The Town Hall Annex is near Yanity Gym – less than a block away.

Here are directions and a picture of the entrance door. Occasionally there is a huge tour bus for the Ridgefield Playhouse blocking the visibility of the door. You'll have to go behind the bus to get in.

Continuing Education Center – Town Hall Annex

The exact address of the Town Hall Annex is 66 Prospect Street, but I am told that using a navigator will leave you on Prospect Street and NOT get you into this parking area in front of the building.

From Route 35 (Main Street) in Ridgefield, turn onto Prospect Street (the Public Library is the brick building on the corner. There is a traffic light). Take Prospect Street a short distance (you will cross Grove Street on the left and East Ridge on the right). Pass a couple of houses and pass Nature's Temptations. Then take a right into the parking lot (as you enter you will see a parking area, skate park, and tennis and basketball courts on your left). Take a right into the first parking area near the Yanity Gym (brick colored building with arched roof). The Continuing Education office will be in the Town Hall Annex, which is the office area to the left of Yanity Gym.

Here is the picture of the Town Hall Annex and the door you should enter. After entering the building, take a right. Go down the hall a short distance. Signs will be posted.

If you have questions, please phone Continuing Education at (203) 431-2812. If there is no response during this move period, please email ridgefieldcontinuingeducation@gmail.com
